

CERTIFICATION ADVISORY BOARD (CAB) MEETING

OIC CERTIFICATION & ACCREDITATION PROGRAMME FOR OFFICIAL STATISTICIANS (OIC-CPOS)

7-8 SEPTEMBER 2016

SESRIC HQ, ANKARA – TURKEY

Within SESRIC's mandate, SID is tasked with:

- 1) collation, processing, and dissemination of socio-economic statistics and information on and for the utilisation of the OIC Member Countries, as the main information bank of OIC
- 2) contributing to the improvement of National Statistical Systems of OIC Member Countries through conducting statistical capacity building activities
- 3) facilitating the national/international statistical outreach activities for the benefit of OIC Member Countries

1

- BASEIND and other statistical databases, rosters, and applications

2

- OIC Statistical Commission

3

- Statistical Capacity Building Programme

4

- Other Projects

- SESRIC maintains a dialogue channel with the National Statistical Offices (NSOs) of OIC Countries through the OIC Statistical Commission (OIC-StatCom).
- OIC-StatCom holds its annual sessions since 2011 to discuss issues of common interest and contribute to the efforts of its member countries to improve their statistical capacities by sharing best practices and experiences.
- Resolutions of the OIC-StatCom shape the activities of the statistical activities of SESRIC.

Statistical Capacity Building (STATCAB) Programme

- Flagship capacity building programme since 2007
- Based on South-South Cooperation approach
- NSOs communicate their needs and capacities in the area of statistics through questionnaires for conduct of activities

Since 2007

172 ACTIVITIES

140 Trainings, 20 Workshops, 7
Technical Missions, 5 Study Visits

Stakeholders

44 **17** **12**
