

WORKSHOP ON DEVELOPMENT FINANCE STATISTICS

12-13 July 2017 Ankara, Turkey

AGENDA

12 July 2017, Wednesday	
09:30 – 10:00	: Registration
	Opening Session
10:00 – 10:45	: <ul style="list-style-type: none">• Recitation of Verses from Holy Qur'an• Welcome Speech by H.E. Amb. Musa KULAKLIKAYA, DG of SESRIC• Opening Statement by OECD Development Co-operation Directorate (DCD)• <i>Tour de Table</i>: Introduction of the Participants• Family Photo Session
10:45 – 11:00	: Coffee Break
11:00 – 12:00	: OECD Development Assistance Committee (DAC) and Engagement with Countries beyond the DAC OECD-DCD representatives will provide some introductory information about the DAC, its history, mandate, main activities and current programme of work. They will also briefly describe the DAC engagement work with development co-operation providers beyond its membership. Participants will be invited to raise questions and/or comments. Presenters: OECD-DCD
12:00 – 13:00	: Introduction to Development Finance Statistics The OECD-DCD representatives will introduce the main statistical concepts and classifications on development finance, including the concept of Official Development Assistance (ODA) as well as the new concept under development: Total Official Support for Sustainable Development (TOSSD). Moreover, the main differences between ODA and TOSSD will be explained. Participants will be invited to raise questions and/or comments. Presenters: OECD-DCD
13:00 – 14:30	: Lunch and Prayer Break
14:30 – 15:30	: TOSSD: The Recipient Perspective The concept of TOSSD will be further explored. A representative from Senegal will comment on a pilot study undertaken in the country by the OECD on TOSSD from the recipient perspective. Participants will be invited to raise questions and/or comments. Presenters: OECD-DCD, Senegal
15:30 – 16:00	: Coffee Break
16:00 – 18:00	: Key Definitions of Development Finance Flows, ODA Eligibility and Concessionality The main definitions related to development finance flows will be presented (Commitment vs. Disbursement, Gross vs. Net, Cash Flow vs. Grant Equivalent, Official vs. private transactions, etc). Moreover, the issue of ODA eligibility will be further examined, with examples of eligible and non-eligible activities. The concessionality of flows will be additionally explored. Participants will be invited to raise questions and/or comments. Presenters: OECD-DCD

WORKSHOP ON DEVELOPMENT FINANCE STATISTICS

12-13 July 2017 Ankara, Turkey

AGENDA

13 July 2017, Thursday	
09:00 – 11:30 :	<p><i>Tracking of Development Co-operation Flows and Integrating Development Finance Statistics into National Statistical Systems of OIC Member Countries</i></p> <p>Representatives from participating OIC member countries will present how they track development cooperation flows in their national contexts. Participants will discuss how the reporting of development finance flows could be implemented in their National Statistical Systems.</p> <p><i>Presenters:</i> Azerbaijan, Bangladesh, Indonesia, Kazakhstan, Nigeria, Somalia, Turkey</p>
11:30 – 12:00 :	Coffee Break
12:00 – 13:00 :	<p><i>Reporting and Dissemination of Development Finance Statistics</i></p> <p>The different reporting formats will be exposed, as well as the statistical process in terms of data collection timeline and cycle. Data quality and the issue of how to avoid double counting will also be discussed. Furthermore, OECD representatives will present the main benefits of reporting and publishing data on development finance, and a demonstration will take place on OECD website and database. Participants will be invited to raise questions and/or comments.</p> <p><i>Presenters:</i> OECD-DCD</p>
13:00 – 14:30 :	Lunch & Prayer Break
14:00 – 16:00 :	<p><i>Break-Out Session: Enhancing Co-operation on Tracking, Reporting and Disseminating Development Finance Statistics</i></p> <p>The sub-groups will discuss how development finance flows could be better tracked by both provider and recipient countries. Moreover, the benefits and challenges of reporting development finance flows to the DAC will be discussed.</p>
16:00 – 16:30 :	Coffee Break
16:30 – 17:30 :	<p><i>Presentations by Breakout Groups</i></p> <p>The sub-groups will present the main outcomes of the discussions to the plenary, which will be then discussed so that the main outcomes from the break-out session will be agreed and summarized.</p>
17:30 – 18:00 :	<p><i>Closing and Wrap-Up Session</i></p> <p>This session summarizes the topics covered during the Workshop and focuses on the next steps to be taken.</p>
