Promoting full, productive employment

Department of Statistics
Labour statistics play an essential role in the efforts of member States to achieve development for all and to the UN's support of these efforts. These statistics are needed for the development and evaluation of policies towards the goal and for assessing progress towards agreed goals. They are also an important tool for information and analysis, helping to increase understanding of common problems, explore actions and monitor progress.

Welcome to LABORSTA Internet!
Download data and metadata for your 300 countries or territories from LABORSTA, an International Labour Office on-line database controlled by ILO.

Working Group for the Advancement of Employment and Unemployment Statistics

Reference Metadata

- Surveys' Reference metadata available at www.ilo.org/surveydata
- Will be linked to ILOSTAT reports in the future
- Soon to be linked to microdata at data producer's website

The screenshot displays the ILO Microdata Repository website. The header includes the title "ILO Microdata Repository" and the subtitle "An on-line microdata library". Navigation links for "Microdata Catalog" and "Citations" are visible. The main content area is divided into two columns. The left column, titled "Latest additions", lists several surveys with their titles and dates: Australia - 2012 Survey of Disability, Ageing and Carers (SDAC) (Feb 13, 2015), United Kingdom - Administrative records, July 2014 (Feb 12, 2015), Italy - Health Interview Survey (Feb 12, 2015), Uganda - National Labour Force and Child Activities Survey 2011/12 (Jan 23, 2015), KENYA - Kenya Integrated Household Budget Survey 2005 (Jan 23, 2015), Ghana - Ghana Living Standard Survey 4 - 1998 -1999 (Jan 23, 2015), Moldova - Labor Force Survey of Moldova 2010 (Dec 18, 2014), BRAZIL - Pesquisa Nacional Por Amostra de Domicilios, Septiembre de 2004 (Dec 09, 2014), BRAZIL - Pesquisa Nacional Por Amostra de Domicilios, Septiembre de 2003 (Dec 09, 2014), and BRAZIL - Pesquisa Nacional Por Amostra de Domicilios, Septiembre de 2002 (Dec 05, 2014). A "View more..." link is at the bottom of this list. The right column, titled "Stats", shows the date "As of May 08, 2015" and states "the Library contains 309 surveys" and "218,668 variables". A "Central Catalog" button is present. Below the stats is a section for "Most popular studies" listing "Labor Force Survey - 2012 Vietnam", "Employment and Unemployment : NSS 68th round : July 2011- June 2012 India", "Encuesta Nacional de Ocupación y Empleo (ENOE), Cuarto Trimestre de 2012 Mexico", "Encuesta Permanente de Hogares Continua. Segundo Trimestre de 2013 ARGENTINA", and "Encuesta Permanente de Hogares Continua. Cuarto Trimestre de 2013 ARGENTINA". The footer of the page states "Powered by NADA 4.0 and DDI".
